The Certified Islamic Banker

The Certified Islamic Banker

The Certified Islamic Banker course aims to improve staff expertise in the Islamic finance industry. It is available to those who work in Islamic financial institutions and meet their various professional levels. It equips certificate holders with the sound and integrated foundations of the Islamic finance industry. It also provides professional knowledge, expertise of proper banking applications, and offers a straightforward and steady start towards an array of career options.

Certified Islamic Banker Features:

The designation of Islamic banker

This certificate is issued to employees of Islamic banks and other financial institutions, granting them the status of a Certified Islamic Banker.

The foundation of Islamic and banking knowledge

This certificate represents proper qualification for a deep Islamic and banking understanding of the Islamic finance industry.

Recognition and moving towards the future

This certificate gives holders professional recognition by the Islamic finance industry, facilitates career development, and paves the way towards more specialized careers.

Course components:

1. Introduction to Islamic finance transactions
2. Islamic banking system
3. Islamic finance operations
4. Islamic investment operations
5. Islamic banking services
6. Shariah supervision for Islamic financial institutions
