

Strategic Session for Professional Development in Islamic Finance Industry

Online

23rd June 2020 at 12:00 hrs. (Bahrain GMT +3)

CIBAFI's 3rd Strategic Session for Professional Development in the Islamic Finance Industry, which will be held online, aims to gather CIBAFI professional development agents and human resources executives and managers to discuss the emerging need to develop the human capacity within the Islamic finance industry. The session will also witness experience sharing and consultative discussions among CIBAFI accredited agents and stakeholders from different countries. It will shed light on the challenges in implementing CIBAFI training programmes in some countries and how to overcome them.
