## Training Plan 2022

### CIBAFI Online Professional Certification Programme

Human resources development is a prerequisite for the development of the Islamic financial services industry (IFSI). With the rapid growth of the industry worldwide, there is a constant need to develop human resources not only to provide high quality services to clients, but also to adhere to the value proposition of Islamic finance, in practices and achieve the real economy. CIBAFI's training and professional empowerment objective caters to this essential need through conducting executive programmes, technical workshops, and professional certification programmes in various specializations. CIBAFI is pleased to present the schedule of CIBAFI Online Professional Certification Programmes for the year 2022.
